# SURVIVAL-TIPS

## Materials & Construction

Building materials and processes including clay, brick, lime, mortar, concrete, glass, and polymers.

Stage 06 • Generated 2026-10-30 • 0 knowledge entries

### How to use this handbook

Use this guide as a learning aid, not as a substitute for official emergency instructions or expert assessment. Every AI-extracted tip must be reviewed before it is treated as verified guidance. Never infer that a wild plant, mushroom, water source, or improvised material is safe based on appearance alone.
